

Making the Teacher Sample

Winter Wildlife Art by Gayle Shuler

Step 1

Create the background paper

Cut to size and have an adult put white dots on the background using the tip of a paintbrush.

Paint the birch trees and allow to dry.

Step 2

Draw patterns on the watercolor paper and paint it. Allow to dry.

Step 3

Trace the animal shapes using the pre-made templates (if desired) and cut out.

Step 4

Glue the animals to the background.
